2016

Dear Parent/Carer

The calendar of events for the Academic Year 2016-2017 certainly outlines one that will be full of activity and learning opportunities for all. We continue to provide the pupils with experiences both in and out of the classroom to challenge them in achieving their potential and to prepare for life and work after school.

We would encourage parents/carers to get involved in the education of their child/children and in the life of Ballyclare Secondary School as family/school partnership is vital in providing the best possible educational experience.

Everyone has different talents, skills and abilities and we would be delighted if you would be willing to work with us to enrich the learning experiences of the young people.

Overleaf is a list of some activities/events organised for 2016-2017. If you could assist with any of the following please indicate on the sheet and fill in your contact details.

Please return the completed sheet to the school office before Friday 2nd September 2017.

Yours faithfully

Mrs W Shingleton
Vice Principal (School Organisation and Improvement)

Ballyclare Secondary School
