

Year 11 Work – week starting 23rd March

- All pupils to complete their pencil study they started last week in class.
- For those of you who were absent pupils were asked to bring in a suitable image to produce a pencil study observation.
- You should as always pay attention to proportion, detail, line, texture and tone.
- Whatever size paper you have at home will be fine.

Assessment:

- We will always assess your work on the above criteria, in relation to proportion, detail, likeness and how you have used line for texture and tone. Shading should include a wide tonal range from light to dark.
