

Contextual Reference

- There should be a link between your work and that of your chosen Artist, Craftsperson or Designer.
- Make sure they are relevant, for example, if you are producing a painting outcome you should look at painters.
- When looking for your Artist you want to pick someone who will inspire your work - lead it forward - connect to it in some way.
- You will learn technique or composition from your Artist.
- Comments should include:
 - Why you have chosen them,
 - Why do you like their work,
 - How will your work progress,
 - What elements of their work are you taking on board for your final piece etc.
 - Relevant information about Artist and their work.
