

Option 2 - Visual Arts Commission

Mrs Bell invites proposals from visual artists for artworks to be permanently sited in school. Students are invited to create 2D or 3D work in response to a subject area, in ways that are meaningful to them, the school community and the wider context.

Music - Instruments/movement

HE/Child Dev – food/home/family

Geography – Landscape/places/weather systems.

Science/Horticulture – the body/the universe/plants and animals

History – war/historic places/buildings/time

LLW – current affairs/news/me/friendships

Mrs Bell's office – Flowers/cakes

Canteen – Portraits/food
