Good afternoon Parent/Carer,

I'm absolutely delighted to inform you that today Mrs M McIlveen MLA, Minister of Education has announced that Ballyclare Secondary School is one of only twenty-eight schools to Advance in Planning under the Major Capital Works Programme. These schools will benefit from a capital investment in the region of £794m, with Ballyclare Secondary's allocation thought to be approximately £30 million.

I'm sure you will agree that this is a tremendous boost for our school. These much-needed funds will help to improve and expand our school estate not only to mirror the continual growth of our school enrolment but to support the tremendous work and all that we offer within our school.

This investment will provide Ballyclare Secondary with modern, fit-for-purpose facilities which will provide our pupils, staff and our wider school community with a first-class educational experience they deserve, and need, to ensure our young people can thrive and achieve their full potential.

Throughout this exciting journey, Ballyclare Secondary will endeavour to keep all stakeholders up-to-date with developments.

Yours Sincerely

Mrs. K. Bell.
