BFFS Future Event:

We know it may seem odd to be discussing Autumn when the weather is so glorious outside, but the BFFS wanted to update staff on an event that we are beginning to plan now, an Autumn Fair on **Saturday 21st October**. The event will be held in school, and we hope to have a series of stalls and activities for families, staff and the wider community. Stalls will pay a small fee to be operational. If you are interested in booking a stall table, please contact Miss Dunwoody on the details given.

OUTSIDE AGENCIES:

CPR: Call Push Rescue Training for Year 8 pupils

As you may be aware, the Department of Education has set out the expectation that pupils at Key Stage 3 will be trained in CPR from the 2022/23 school year. We have set time aside at the end of this academic year to run training for our Year 8 pupils. The sessions for your child will take place on either **Thursday 15 or Friday 16 June 2023**. We are supported in this endeavour through the British Heart Foundation's 'Call Push Rescue' programme. This programme contains a range of resources to support the teaching of CPR, including reusable inflatable manikins and practice-while-you-watch DVDs. Any queries please contact Miss Collins or Mrs Yetman at the school.

Lidl Northern Ireland: has launched its 2023/24 'Sport for Good Programme' which works in partnership with the children's charity Youth Sport Trust. The aim of this programme is to promote positive mental health amongst secondary school pupils in Northern Ireland by bringing together Northern Irish Olympic and Paralympic heroes and sporting legends, to lead specially designed workshops that teach students how to use the power of sport to improve resilience and enjoyment of exercise, as well as increasing self-esteem and confidence to participate in future sport. Please see *letter attached*.

How to enter:

To be in with a chance of winning a place on this year's Sport for Good programme, parents and local Lidl Northern Ireland shoppers can nominate your secondary school to win a place on the Sport for Good programme, as well as **£1,000 worth of brand-new sports equipment** by visiting their local Lidl store and making a purchase to receive a qualifying Lidl receipt containing a 10-digit code. Receipt codes must be submitted online along with the secondary school nomination for a chance to win.

Entries can also be made via the dedicated Sport for Good online entry form at www.lidl-ni.co.uk/lidl-community-works

The Bytes Project: See the *poster attached* for the Youth Start programme that this group are running. It would be great for any pupils who may not have a destination following school or those who possibly aren't going to achieve their expected grades, but they are happy to work with anyone who feels they need support.

'Ask for Angela' Initiative from CPSS: Please see *attached* information regarding the Belsonic events, and a wonderful scheme called 'Ask for Angela'. This letter is being sent to all schools, as this message is equally worth being heard by staff and parents, as well as our older pupils who may be in attendance. The scheme is very worthwhile, and has been rolling out in various venues/establishments in the last months.

ParentlineNI - NEW Parent Discussion Group - Let's Talk ADHD: This summer Parentline are hosting a series of 'Let's Talk' groups, an online space for parents to meet and discuss shared parenting experiences, listen to stories of others and support one another, parent to parent.
