Dear Principal,

Free School Meals and Uniform (FSMU) Allowance Applications – Remaining Applicants

The Free School Meals and Uniform Allowance (FSMU) Newsletter we sent to you in June provided a link to a Toolkit where you could share details of the application process with parents. Thank you for your help in spreading the word.

We continue to work hard to ensure as many young people as possible have their Free School Meals in place for the start of the new school year and we are now making a final effort to ensure that all families entitled make their application.

We would like to ask you to forward the attached graphic to your parent community to encourage them to submit valid applications as soon as possible.

It can take up to 5 weeks to process applications and applicants are requested not to contact us within that time.

We thank you for your continued co-operation on this matter.

Yours,

Peter Canavan,
Head of Admissions and Financial Support.
