

## You're Hired! Begin your career with Citi...

### Parent, Carer and Teacher Virtual Event

**Host Date** Tuesday 10 October 2023

**Time** 6.00-7.00pm

**Location** Online via Google Classroom

Providing parents and carers with accurate information about the range of education and career options available to their children is critical to enabling all young people to make informed decisions about their future, whilst exploring alternative career pathways.

Speakers for Schools NI is delighted to be working in partnership with Citi to help parents, carers, teachers and young people in Year 11-14 learn about their various programmes and career opportunities across a range of professions including Technology, Finance, Legal and Human Resources.

Connect to find out more about the newly launched Northern Ireland FinTech and Professional Services NVQ Level 2 open to 16–24-year-old, in addition to the now established Level 3 and 5 Apprenticeships and Graduate programmes.

This 60-minute virtual event will aim to de-mystify these vocational qualifications, entry routes and career pathways available in a global corporate bank. The session will be informal and informative with opportunities to hear from some of Citi's current apprentices and graduates and lots of opportunities to ask questions.

**PLEASE REGISTER HERE**

**Deadline: 5.00pm  
Wed. 27 September**

#### Hers's what we have planned for the evening:

- Welcome and Introductions.
- Citi – Who we are and what we do.
- A Day in the Life of Citi Apprentices and Graduates – learn about the selection process and what a typical day involves.
- Save the Date – key dates for our application process next year.
- Q&A
- Final recap and close.

Parents, carers, teachers and young people are welcome to join us to get an insight on early career opportunities with Citi and explore the opportunities to 'earn as you learn' via one of the many career pathways available.
