

## **Year 11 Exam information**

The following table lists the external exams for year 11 pupils. Please note that results from these exams will count towards the final GCSE grade in 2025.

There is a period of study leave for pupils from **Tuesday 14<sup>th</sup> May to Friday 17<sup>th</sup> May** (4 days). Pupils are not expected in school for these four days unless they are completing exams.

Pupils are also off timetable during the internal assessment week from **Thursday 30<sup>th</sup> May to Tuesday 4<sup>th</sup> June** (4 days). Pupils are only expected in school for internal assessments. A detailed timetable will follow shortly.

Normal lessons will continue throughout the months of May and June 2024 except for the dates mentioned above.

Pupils are not to be signed out after examinations as it is vitally important that your child continues to work hard in all lessons during the months of May and June.

Arrival to all external examinations on time is vital. As a school we have no control over the start times of examinations, so pupils must attend on the dates and times stipulated.

Your child should highlight the subjects they study on their timetable to ensure they know which examinations sessions are relevant to them.

Mobile phones or any electronic devices are not to be taken into the examination halls. These can be given in to the school office in advance of examinations starting (if this facility is needed pupils must arrive at the office, well in advance of the examination start time).

Your child's safety is paramount therefore we advise parents to ensure that their children do not visit shops, including coffee shops, or the park in Ballyclare before or after examinations.
